KISHA DUA

Aspiring Visual Communication Designer

About me

Hello! I'm Kisha.
A design student with a passion for visual storytelling, brand identity, and bringing ideas to life. I enjoy exploring new perspectives, turning thoughtful concepts into meaningful designs, and constantly challenging myself to grow.

I'm always excited to learn, collaborate, and take on new creative challenges.

Experience.

Freelance Graphic Designer | Ruchika Fest
2025-2026
- Designed print and digital communication collaterals for Ruchika Fest over two years.
- Created promotional designs for event marketing, including newspaper advertisements published in The Times of India.

Design Intern | Paper Cloud
2024 | 2 Months
- Gained hands-on experience at a design-led print studio, exploring the relationship between design, materials, and print production.

Graphic Design Collaborator | Government CSR Event – Mumbai
2024-2025
- Worked with a team on a CSR event, contributing to the creative design and handled social media graphics and content.

Apprenticeship at Reproscan
2025
- During my apprenticeship at Reproscan, I gained practical knowledge of the printing industry, including machines, production techniques.

Worked at Yes, yes Why not
2024
- Worked on social media content, in a team for a wall mural project.

Head, Outing Club | Student Club – École Intuit Lab
2023
- Organised trip, while coordinating with faculty and vendors to create a smooth, enjoyable experience.
